

# We are all Insane

35 0 2

## Chapter 1 by Totally Olive

We are all insane. On the inside, on the outside. All my friends know I am insane . But yet again so are they. I don't know why we are, we just are. Not truly insane yet. Just insane enough for people to question our logic. It is quite truly strange our thinking. Our outfits all matching we all look like normal people but our minds are simply just chaotic. Many people think we are born this way but it takes many years to reach a breaking point. And I have reached mine.

It's like living in a cage, and having a monster inside that cage trying to get out and when it finally gets out it's like a free bird and wants to fly away . That's how my mind works. Confusing, right! And now imagine living with that every day of your whole goddamn life. Its haunting to live like this your whole life.
